April 12, 2017

Attendees
Roll call – see list below. Call led by Jim McNierney

Action Items
Teresa will take action to describe PNNL's process to obtain an xcars account.
Jim will take an action to find out a new day/time for the DNMTT to hold its monthly conference calls. The Wednesday time is not working for several folks.

Meeting Notes
Two projects as a result of the Gaithersburg meeting:

- NASPInet2.0 – Task being led by Jeff Taft at PNNL. 1) Can the DNMTT help out, and 2) how involved does DNMTT want to be?
- Advanced Synchrophasor Protocol (ASP) – Task being led by Ritchie Carroll at GPA.

The DNMTT's conference call doesn't seem to be generating that much interest. Would changing the day or time help volunteers participate? If so, what day works best for you?
Would a collaboration site help with work products? (E.g. SharePoint, GoogleDocs, Dropbox, etc.).
